

RON AND THE MAGICAL HAMMER

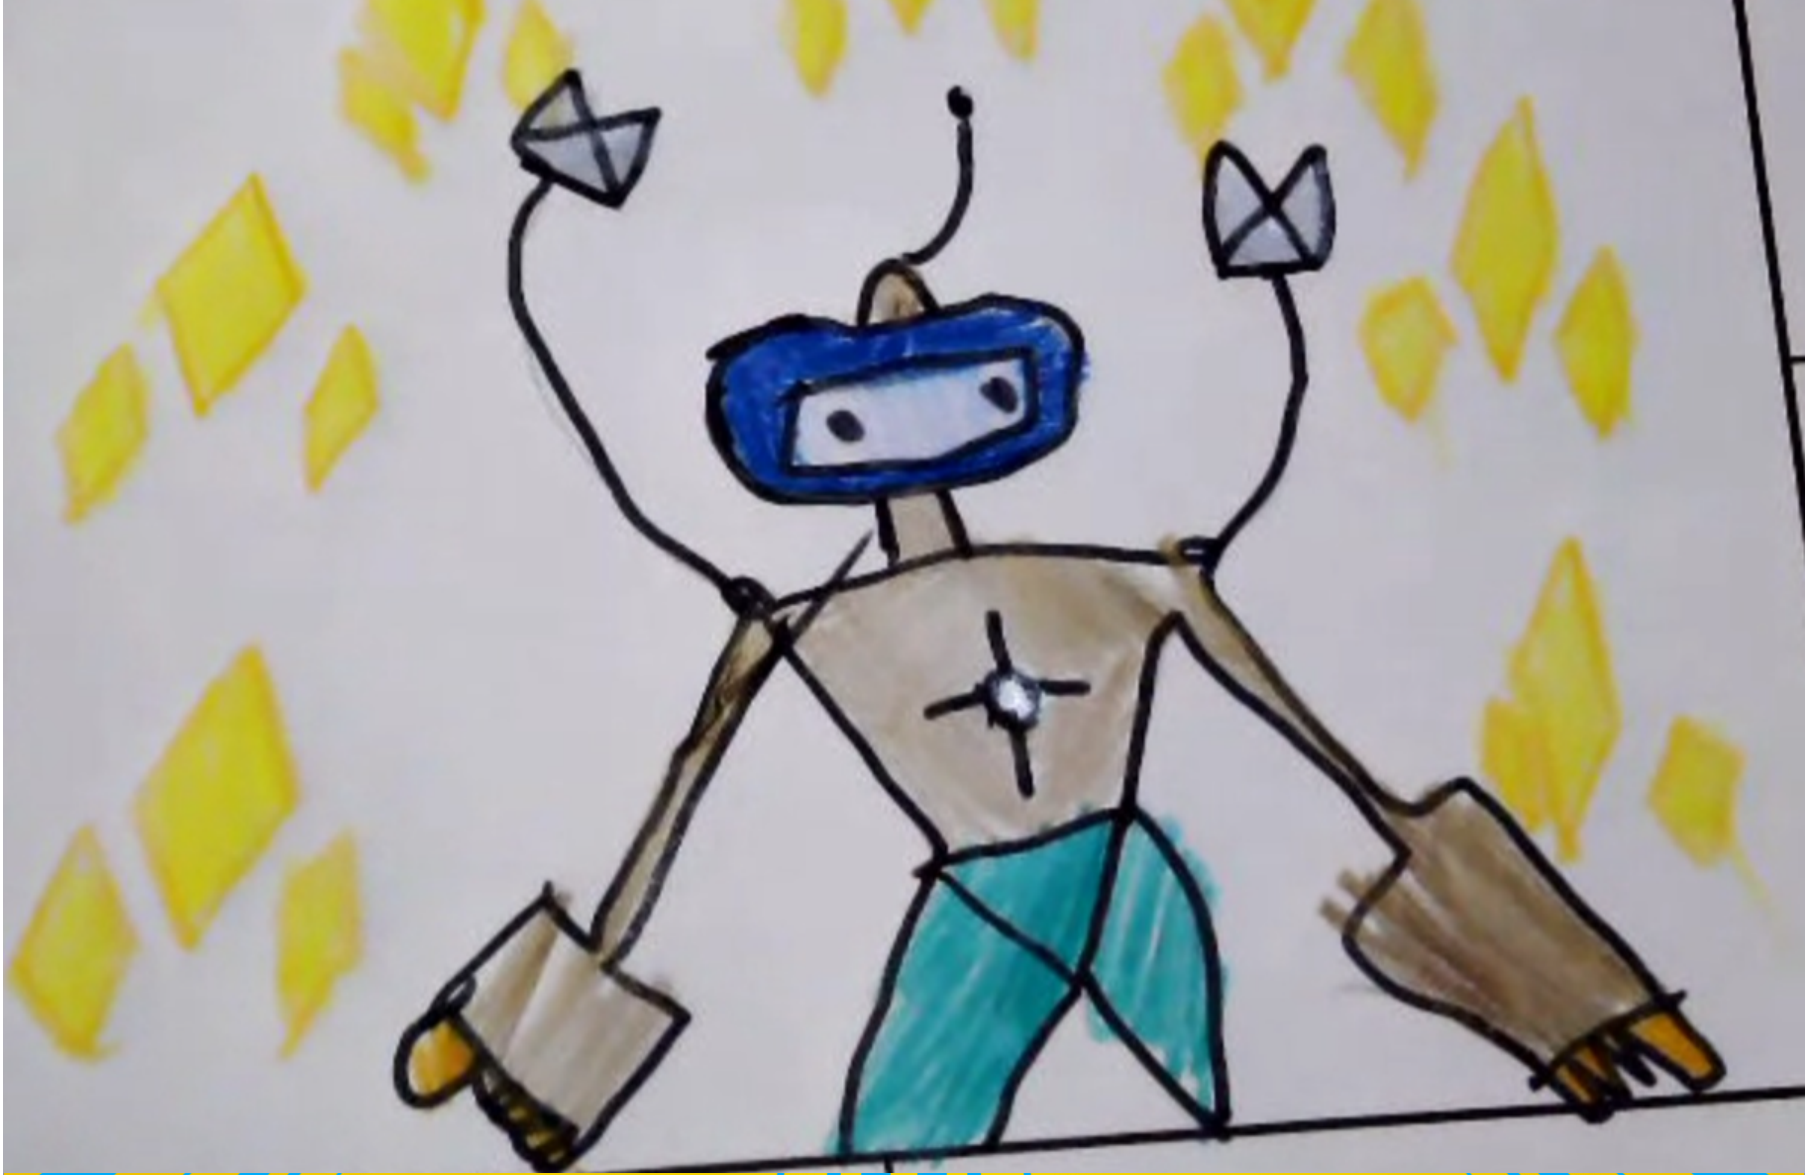

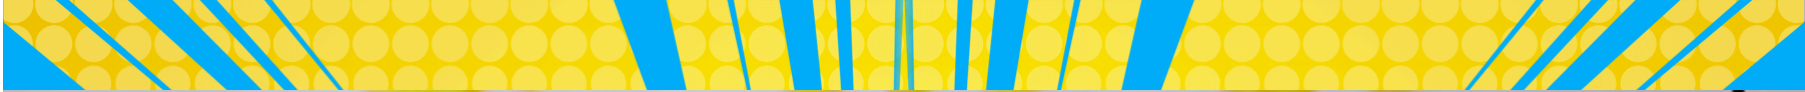

**Written and illustrated by
Alex Schmitt**

Ron was having a god day. He woke up and worked out. Then he looked for his favorite book. He did not find it. Instead, he found something magical...

It was a magical hammer. Ron was wondering, "How did it get here?" Then he saw a note beside the hammer and it said it was a gift from his friend.

Ron was so happy! He was dancing in joy because he got a magical hammer, which had power to make crystals.
